2. The number of vacancies to be filled on the results of this examination is three, of which one will be filled by open competition, one reserved for Muslims, and one reserved for Anglo-Indians or domiciled Europeans.

3. Candidates who qualify at the Class II Service entrance examination and fail to secure a vacancy but have not attained the age of 22 on the 1st July 1941 may, if they so desire, be considered for appointment to the Upper Subordinate Service of the Survey of India in November 1941. The scale of pay in that Service is Rs. 60—10—80 during probationary service and Rs. 96—6—180—Efficiency Bar—6—240 after confirmation. Such officers are eligible for promotion to Class II Service, *vide* part IV of the rules for recruitment to Class II Service. If candidates wish to be considered also for this Subordinate Service, they may make a note of this at the end of their applications for admission to the Examination.

4. The application must be made to the proper authority (see Rule 8 of the Rules) through the Collector or Deputy Commissioner (or, in the case of Calcutta, the Commissioner of Police) of the district in which the candidate ordinarily resides.

5. The proper authority is, for a Governor's Province, the Provincial Government, for Coorg, Delhi, Ajmer-Merwara, Baluchistan or the Andaman and Nicobar Islands the Chief Commissioner; and for a State in India the Political Officer or Agent, who should be addressed through the Durbar.

No allegation that an application form or letter respecting such form has been lost or delayed in the post will be considered, unless the person making such allegation produces a Post Office registration receipt or certificate of posting. Candidates who delay their applications until a late date will do so at their own risk. A candidate for whom a declaration under section 262 of the Government of India Act, 1935, is necessary should take immediate steps to obtain it. Otherwise he will not be appointed.

A candidate who intends to appear at such a qualifying examination may also apply, provided the qualifying examination is to be concluded before the commencement of the examination herein announced. His application will be accepted provisionally if he is eligible in all other respects and he will be required to furnish before the 21st May, 1940, to the provincial Government, or thereafter to the Federal Public Service Commission, but not later than the date on which the results are ready for communication to the Government of India, proof of having passed such qualifying examination.

17. A candidate must be in good mental and bodily health, of strong physique, capable of hard outdoor work, and free from any physical defect likely to interfere with the efficient discharge of his duties as an officer of the Service. A candidate who (after such medical examination as Government or the appointing authority may prescribe) is found not to satisfy these requirements will not be appointed.

*These age limits apply whether or not the candidate is already in Government service.

Only candidates who are successful in the examination and are likely to be appointed will be medically examined.

NOTE.—In order to prevent disappointment, candidates are advised to have themselves examined by a medical practitioner, preferably a Civil Surgeon, before applying for admission to the examination. Particulars of the nature of the medical test to which candidates will be submitted before appointment and of the standards required can be had from the Commission.

19. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix IV to these Rules.

20. Applicants eligible under the foregoing rules will appear before Selection Boards which will be constituted by the Surveyor General at various centres to select candidates for admission to the written examination. Selected applicants will be instructed by the Surveyor General (India) to present themselves on a particular date before the Selection Board at one of the following places:—

- (i) Calcutta.
- (ii) Dehra Dun.
- (iii) Bangalore.

Candidates summoned to appear before the Selection Board will travel at their own expense.

21. From among the candidates who appear before them, each Selection Board shall make a list of those persons whom they recommend for admission to the examination. They shall include in the list no candidate whom, having regard to his personality, physique, character, and general suitability as shown by his previous career, they do not consider in all respects suited for appointment to the service. They may also exclude from the list any candidate with regard to whom they are satisfied that he will not qualify in the written examination. The lists shall be forwarded to the Commission. All persons included in the list shall be admitted to the examination, provided they satisfy the Commission that they are otherwise eligible.

22. Under instructions from the Commission the Surveyor General of India will arrange for the supervision of the examination and for the supply of drawing instruments, etc., for the use of candidates.

23. (i) After every examination, the Commission shall make a list of the competitors in the order of their merit as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors up to the number of unreserved appointments as are found by the Commission to be eligible for appointment and are considered by Government or the appointing authority to be suitable in all other respects shall be appointed.

(ii) Subject to the provisions of Rule 3 of these Rules, selections for reserved appointments shall be made by the appointing authority, after consulting the Commission, from candidates who have qualified at the examination.

24. Every candidate selected for appointment will be required to execute a security bond in the prescribed form to the effect that he will serve in any country wherever he is ordered and that he will not resign or leave the service during the period of probation nor for five years from the date of being permanently appointed and thereafter never during the field season. The candidate will remain liable for certain penalties in default of these conditions, the amounts prescribed for which may vary from Rs. 1,400 to 4,500 and he will also provide a surety for the liabilities during the period of probation and the following five years after permanent appointment.

25. (a) Appointment will be made on probation for a period of three years.

(b) if, in the opinion of Government, the work or conduct of an officer on probation is unsatisfactory or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) Any officer on probation belonging to the domiciled European or Anglo-Indian community shall, if he marries during the period of probation, forthwith be discharged by Government.

(d) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the service or may extend his period of probation for such further period as Government may think fit. The period of probation may also be prolonged by Government to the extent of any period or periods of leave passed by the officer on medical certificate. Probationary service, if followed by permanent appointment, will count for leave and pension.

(e) If no action is taken by Government under sub-rules (b) or (c) of this Rule, the period of probation shall continue as an engagement from month to month terminable on either side on the expiration of one calendar month's notice in writing.

FEDERAL PUBLIC SERVICE COMMISSION (INDIA).

Instructions to candidates regarding the filling up and submission of applications for admission to the Survey of India, Class II, Examination, 1940.

(a) Copies of the Notice of, and the Rules and the application form for, the Examination are sent herewith. Candidates should consult them to see if they are eligible before filling up the application form, or paying the application fee into a treasury. The conditions prescribed cannot be relaxed. Candidates who are already in Government Service should obtain the permission of the Head of their Departments to apply for admission to the examination and should attach to their applications proof that they have obtained such permission.

(b) The Application form should be filled up in the candidate's own handwriting and submitted to the Collector* or Deputy Commissioner of the district in which he ordinarily resides or, in the case of a candidate from a State in India, to the Political Officer or Agent through the Durbar. No application received by the Collector*, Deputy Commissioner, Political Officer, or Agent after the 6th May 1940 will be accepted.

NOTE.—Candidates are *advised* to appear personally before the Officer to whom this form is submitted but if they are specifically asked to appear they *must* do so, so that he may be able to verify the entries in the application.

(c) If a candidate sends his application by post and desires an acknowledgment, he must send the application "Registered acknowledgment due". No applications will be otherwise acknowledged.

(d) A candidate who is found to have knowingly furnished any particulars which are false or to have suppressed material information, will be disqualified and, if appointed, will be liable to dismissal.

(e) The following documents must be sent in with the application. Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by any of these documents or by a reasonable explanation of its absence, it will be summarily rejected, and that no appeal against its rejection will be entertained.

(1) *A treasury receipt for Rs. 7-8-0.*—The amount should be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India, or in a State Treasury authorised to transact business on behalf of Government (Amounts deposited at Bombay, Calcutta, Delhi, Madras or Rangoon should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The Treasury or Bank should be asked to credit it to the account head "XXXVI—Miscellaneous Department, Examination fees, Receipts of the Federal Public Service Commission". **CANDIDATES MUST SEE THAT THEY ARE ELIGIBLE AND MUST DECIDE DEFINITELY TO APPLY BEFORE DEPOSITING THIS FEE IN THE TREASURY. THE FEE WILL NOT BE RETURNED IN ANY CIRCUMSTANCES WHATEVER. NOR WILL IT BE HELD IN RESERVE FOR SUBSEQUENT EXAMINATIONS OR SELECTIONS.** The name of the examination and of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt. The treasury receipt should be on the blue form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited. If, however, the blue form is not available in the Treasury the ordinary form hitherto employed should be used.

NOTE 1.—Candidates who are in the United Kingdom at the time of submitting their applications should deposit the amount of their application fee (the equivalent of Rs. 7-8-0) in the office of the High Commissioner for India, London, and forward the receipt from that office.

NOTE 2.—Cash or postal orders or cheques will not be accepted by the Federal Public Service Commission.

* In the case of Calcutta, the Commissioner of Police.

(2) *Evidence of age.*—Only an extract from the Register of Matriculates or a Matriculation Certificate in original or a certificate equivalent thereto [see Note (1) below] in original will be accepted and this must be sent with the application. If the Matriculation or equivalent certificate gives the age of the candidate or the date of his birth by the year and month only, *and if this by itself is insufficient to establish that the date of birth falls within the prescribed limits*, then the candidate must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the High School which he first attended, showing his exact age on the date of admission. Any candidate, who omits to send such a certificate, does so at his own risk and renders himself liable to be disqualified.

An Anglo-Indian, or a Domiciled European or an Indian Christian, if his Matriculation or equivalent certificate does not show the exact date of his birth, must send his baptismal or birth registration certificate *in original in addition to his Matriculation or equivalent certificate*.

NOTE 1.—By “equivalent certificate” is meant a certificate of an examination recognised by an Indian University or Board of Intermediate or Secondary Education as equivalent to Matriculation.

A Transfer certificate from a school or a college is not an “equivalent certificate” and will not be accepted as evidence of age.

NOTE 2.—The original and a copy of each of the abovementioned certificates must be submitted with the application. A candidate who holds a completed Secondary School Leaving Certificate may submit with the original a copy of only the page containing entries relating to age.

NOTE 3.—If a candidate claims that the correct date of his birth is other than that recorded in his Matriculation certificate or a certificate equivalent thereto, he must send direct to the Federal Public Service Commission all the evidence on which he bases his claim, as soon as he has submitted his application. He should also explain how his age was wrongly recorded and must state whether he has made any attempts to have the date corrected and the results of such attempts. The fact that a candidate claims a different date of birth from that shown in his Matriculation or equivalent certificate in no way absolves him from the obligation to submit that certificate, which is required in all cases.

(3) *A certificate of character in original and also a copy thereof*, from the Chief Officer in charge of discipline in the educational institution which the candidate is attending or, in the case of those who have finished their education, which he last attended.

This certificate should be signed by the Principal of an affiliated college, the Vice-Chancellor, Pro-Vice-Chancellor, or Provost or Proctor or Dean of a Faculty if in general charge of discipline, in a non-affiliating university, or the Headmaster (or Principal, if there is one) of a school.

(4) A certificate, in original, with a copy thereof, showing that he has one of the educational qualifications prescribed in the Rules. A diploma or a formal “provisional certificate” issued in accordance with the practice in the particular University concerned may be submitted.

(5) A certificate in original, with a copy thereof, from the Principal of the College concerned, showing that the candidate took Mathematics as one of his subjects in the B.A. or B.Sc. classes.

NOTE 1.—The certificate in clause (e) (5) is required only from those candidates who seek admission to the examination under clause (1) of Rule 13 of the Rules.

NOTE 2.—The originals of the certificates forwarded in accordance with paragraph (e) (2), (e) (3), (e) (4) and (e) (5) will be returned when the result of the application is communicated but will not be returned if copies (where asked for) have not been submitted.

NOTE 3.—If the candidate has already submitted the certificates required in (e) (2), (e) (3), (e) (4) and (e) (5) above in connection with another examination conducted by the Federal Public Service Commission and if they have not yet been returned to him he should mention the fact when submitting his application, and if possible enclose a copy of each certificate. If the certificates are not with the Commission, they should be sent with the application, irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence *must* be given in the application.

(f) A candidate for whom a declaration under Section 262 of the Government of India Act, 1935, is necessary should *immediately on receipt of the Application Form* take steps to obtain the declaration. He will not be appointed unless he has obtained the declaration, whether or not he has already obtained a declaration under section 96-A of the Government of India Act, 1919.

(g) *The fact that an application form has been supplied, on whatever date, will not be accepted as an excuse for the late submission of an application or as evidence of the receiver's eligibility for admission to the examination.*

(h) Every candidate for admission to an examination conducted by the Federal Public Service Commission is informed at the earliest possible date of the result of his application. It is not possible for them, however, to say when that result will be communicated, nor can they undertake to keep candidates informed of the progress of their applications.

(i) All communications in respect of an application should state the name of the examination and the candidate's address as mentioned in the application form and should be addressed to "the Secretary, Federal Public Service Commission, Delhi". Failure to observe this direction will be at the candidate's own risk.

(j) Candidates must make arrangements to see that communications addressed to them at the addresses stated in their applications are redirected, if necessary. Also, any change of address should be communicated *at once* to the "Collector or Deputy Commissioner", or "Political Officer or Agent", to whom the application was submitted, and to the Secretary of the Federal Public Service Commission. Although the Federal Public Service Commission make every effort to take account of changes in candidates' addresses, they cannot accept any responsibility in the matter.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(k) Only successful candidates will be medically examined. Candidates are recommended to consult a Civil Surgeon as to their physical fitness before entering for the examination. A copy of the Regulations for the physical examination of candidates for appointment to the service of Government in India is sent herewith. These regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard, but they are not intended to restrict the discretion of Medical Examiners in any way.

NOTE.—Copies of the pamphlets containing papers, etc., relating to previous examinations can be had from the Manager of Publications, Civil Lines, Delhi, provided they are in stock and are available for sale.

Regulations for the Physical Examination of candidates for appointment to the Survey of India, Class II.

(These regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the Government of India reserve to themselves an absolute discretion to reject as unfit any candidate whom they may consider, on the report of the Medical Board, to be physically disqualified and that their discretion is in no respect limited by these Regulations.)

3. The candidate's height will be measured as follows :—

He will remove his shoes and be placed against the standard with his feet together and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. No fixed limit of height is enforced.

4. The candidate's chest will be measured as follows :—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted, and the minimum and maximum will then be recorded in inches, 33-35, 34-36½, etc. In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded :—

(i) *General*.—The candidate's eyes will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any morbid conditions of the eyes, eyelids or contiguous structure, of such a sort as to render, or to be likely at a future date to render, him unfit for service.

N.B.—No candidate will be accepted for appointment whose standard of vision does not come up to the requirements specified below without the use of the contact glasses. (A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the eye, a layer of liquid being interposed between the lens and the cornea. The meaning of the word "glasses" wherever used in these regulations is to be interpreted as not covering contact glasses.)

(ii) *Visual Acuity*.—The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision, and the examination will include two tests, one for distant and the other for near vision. Each eye will be examined separately. No candidate will be accepted whose Visual Acuity falls below the following standards :—

	The one eye.	The other eye.
Distant vision—		
without glasses	6/12	6/18

(iv) *Night Blindness*.—The candidate's Night Vision will be tested, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to ascertain whether or not he suffers from night blindness. The candidate who under the conditions of the ordinary Test for Visual Acuity has 6/6 Vision with both eyes open, with or without glasses will be rejected if, under the conditions of the Night Blindness Test, his vision with both eyes open, with or without glasses, falls below 6/24.

8. The following additional points should be observed :—

- (a) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear ;

- (e) that there is no evidence of any abdominal disease ;
- (f) that he is not ruptured ;
- (g) that he does not suffer from a severe degree of hydrocele, varicocele, varicose veins or piles ;
- (h) that his limbs, hands and feet are well formed and developed, and that there is free and perfect motion of all his joints ;

Note.—Candidates are warned that there is no right of appeal from a Medical Board, special or standing, appointed to determine their fitness for the above services. If, however, Government are satisfied on the evidence produced to them of the possibility of an error of judgment in the decision of the first Board, it is open to Government to allow an appeal to a second Board.
